The Sheffield Royal Hospital

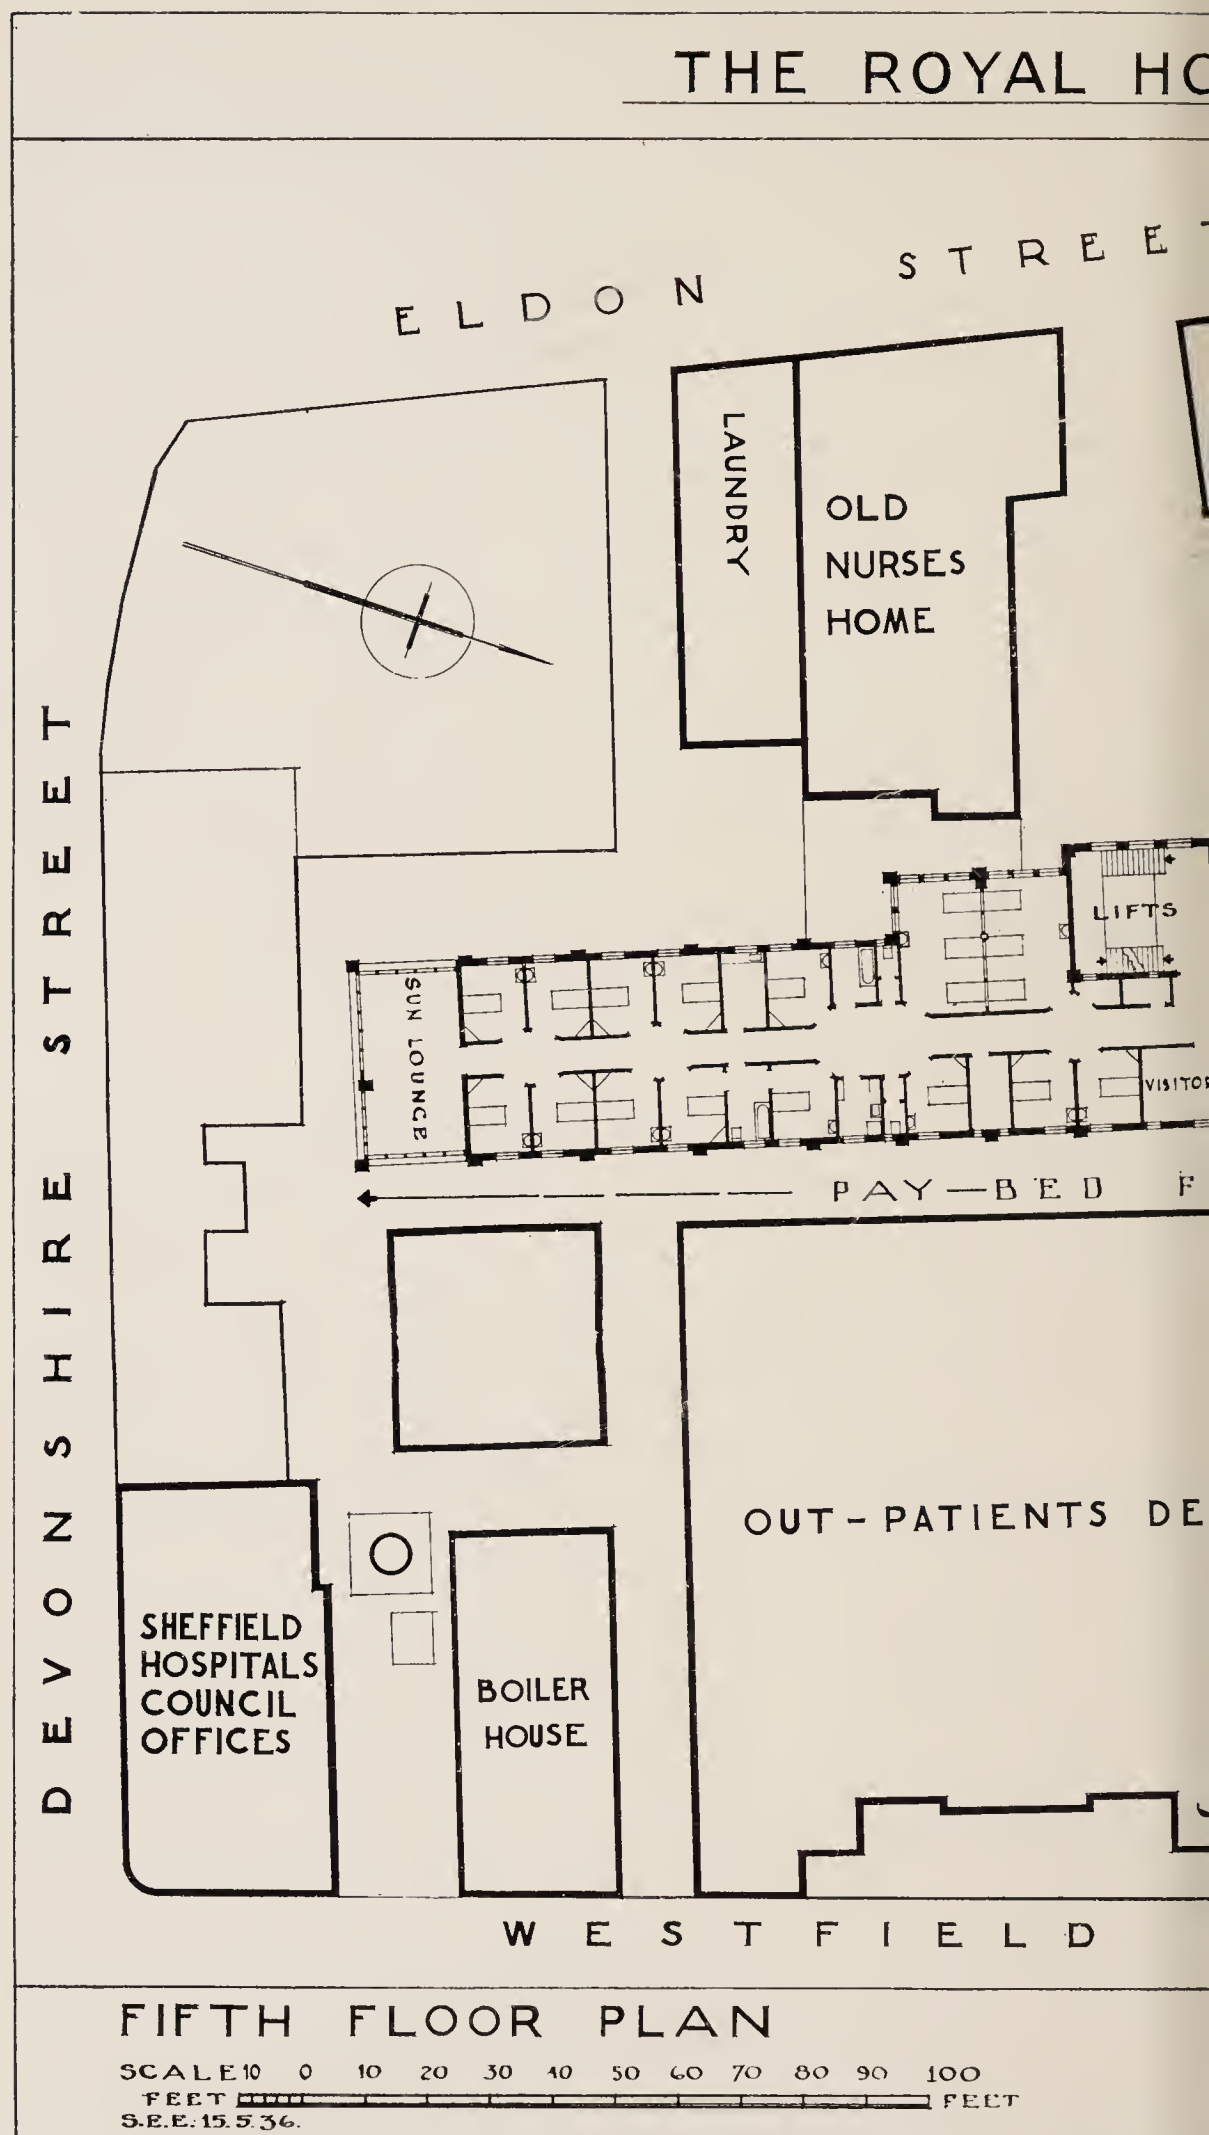

CONVERSATIONS between the Chairmen, Boards of Management, Honorary Staffs, and representatives of the University have been proceeding to see if by amalgamation or other means the services of the voluntary Hospitals in Sheffield can be improved.

An interesting and promising illustration of the type of co-operation which might result is shown by the provisional arrangement made in connection with the Paying Beds to be provided at The Sheffield Royal Hospital.

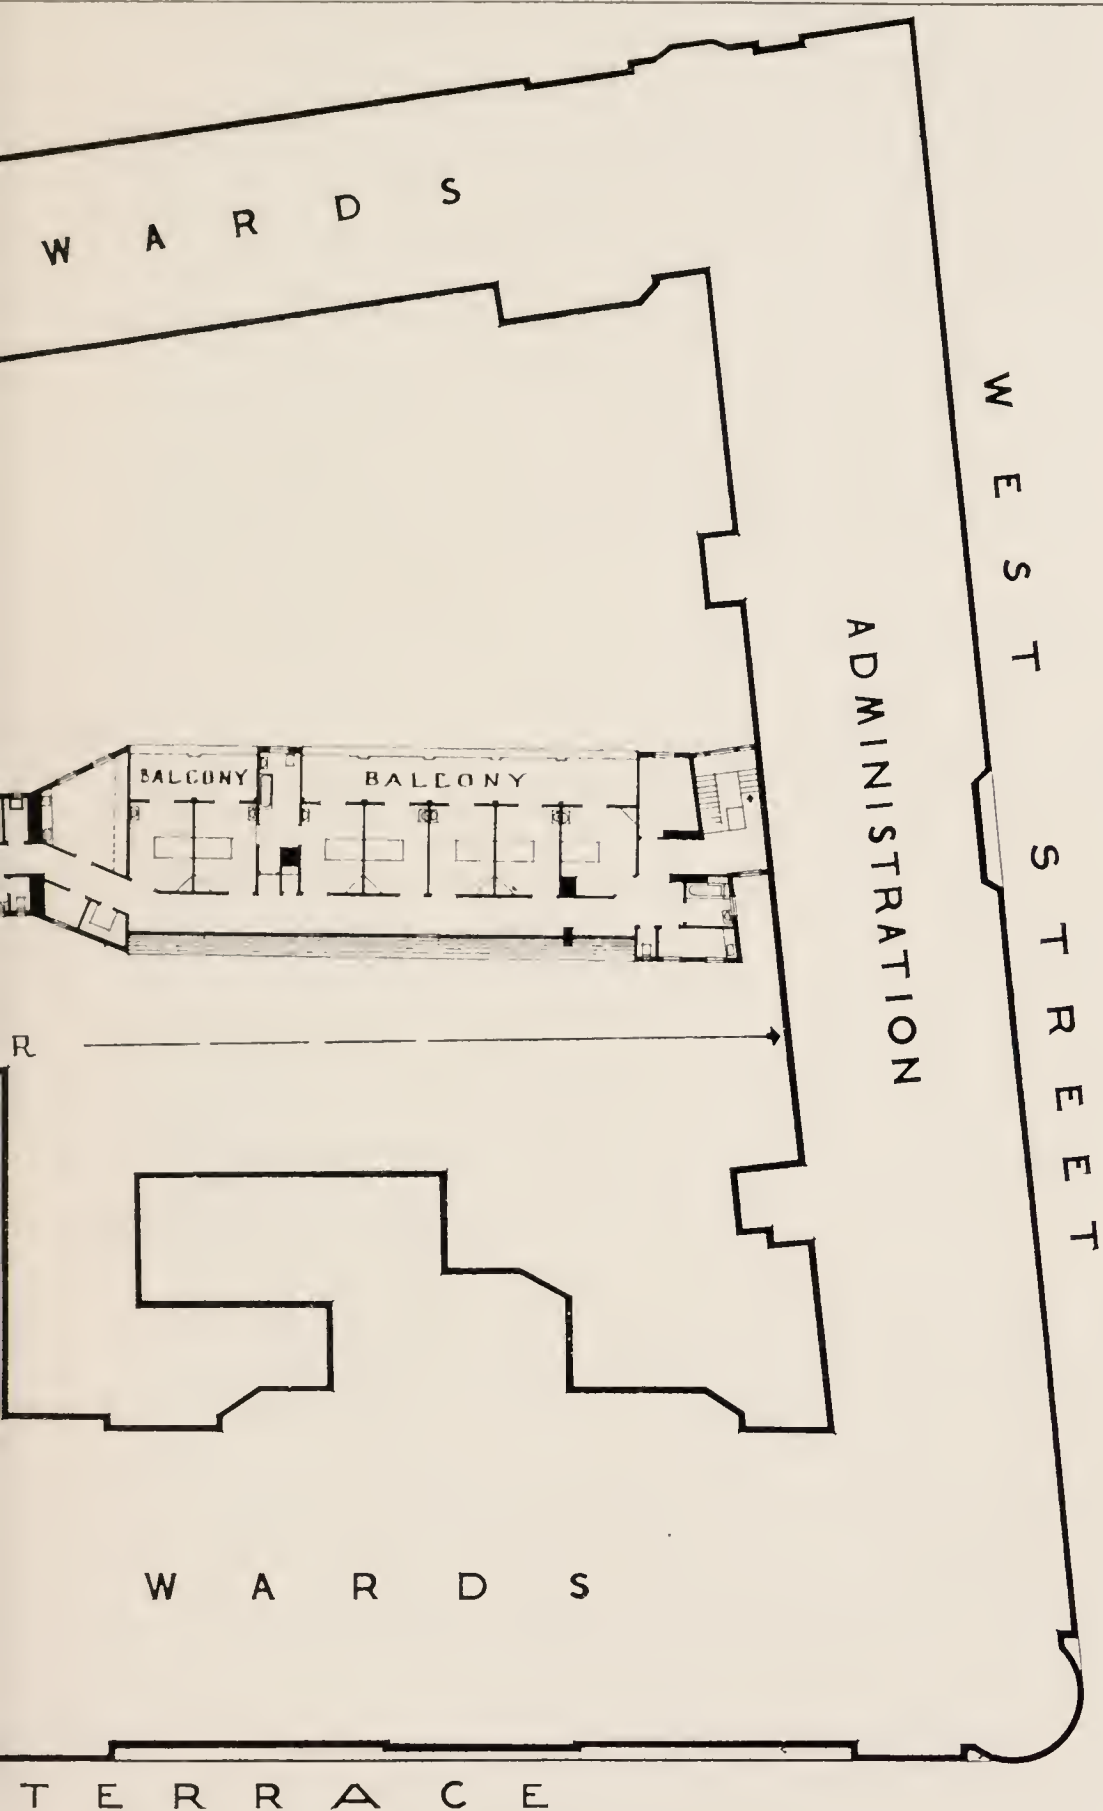

Patients occupying these beds will have the choice of any Consultant connected with the Honorary Staffs of the voluntary Hospitals in Sheffield.

This is a promising introduction to the new proposals.

CAPITAL COST

The installation of the Paying Beds will be provided for without trespassing on the ordinary funds of the Hospital.

Thanks to generous donations of £2,000 from Miss H. S. Fisher and £1,000 from Mr. A. C. Davy an excellent start has been made.

It is estimated that £10,000 will be required.

MAINTENANCE

Patients will be expected to pay for their own maintenance in addition to the medical and surgical fees.

It is hoped that arrangements will be completed before long for the provision of such expenses, where desired, by a scheme similar to that organised by the British Provident Association.

THE NURSES' HOME

The accommodation at the Hospital in West Street for the nursing staff has not been sufficient for a number of years and it has been found necessary to house the nurses in different parts of the city where suitable accommodation was available. In 1933 some of our nurses were still housed in the home at the hospital; others in the old Theological Training College at Ranmoor and others in two houses at Lydgate Lane, which were formerly the Crookes Orphan Homes. The management of these three homes and the supervision of the staffs there was both difficult and expensive and it was decided to concentrate all the nursing staff in one home where they would not only have adequate housing accommodation but facilities for recreation.

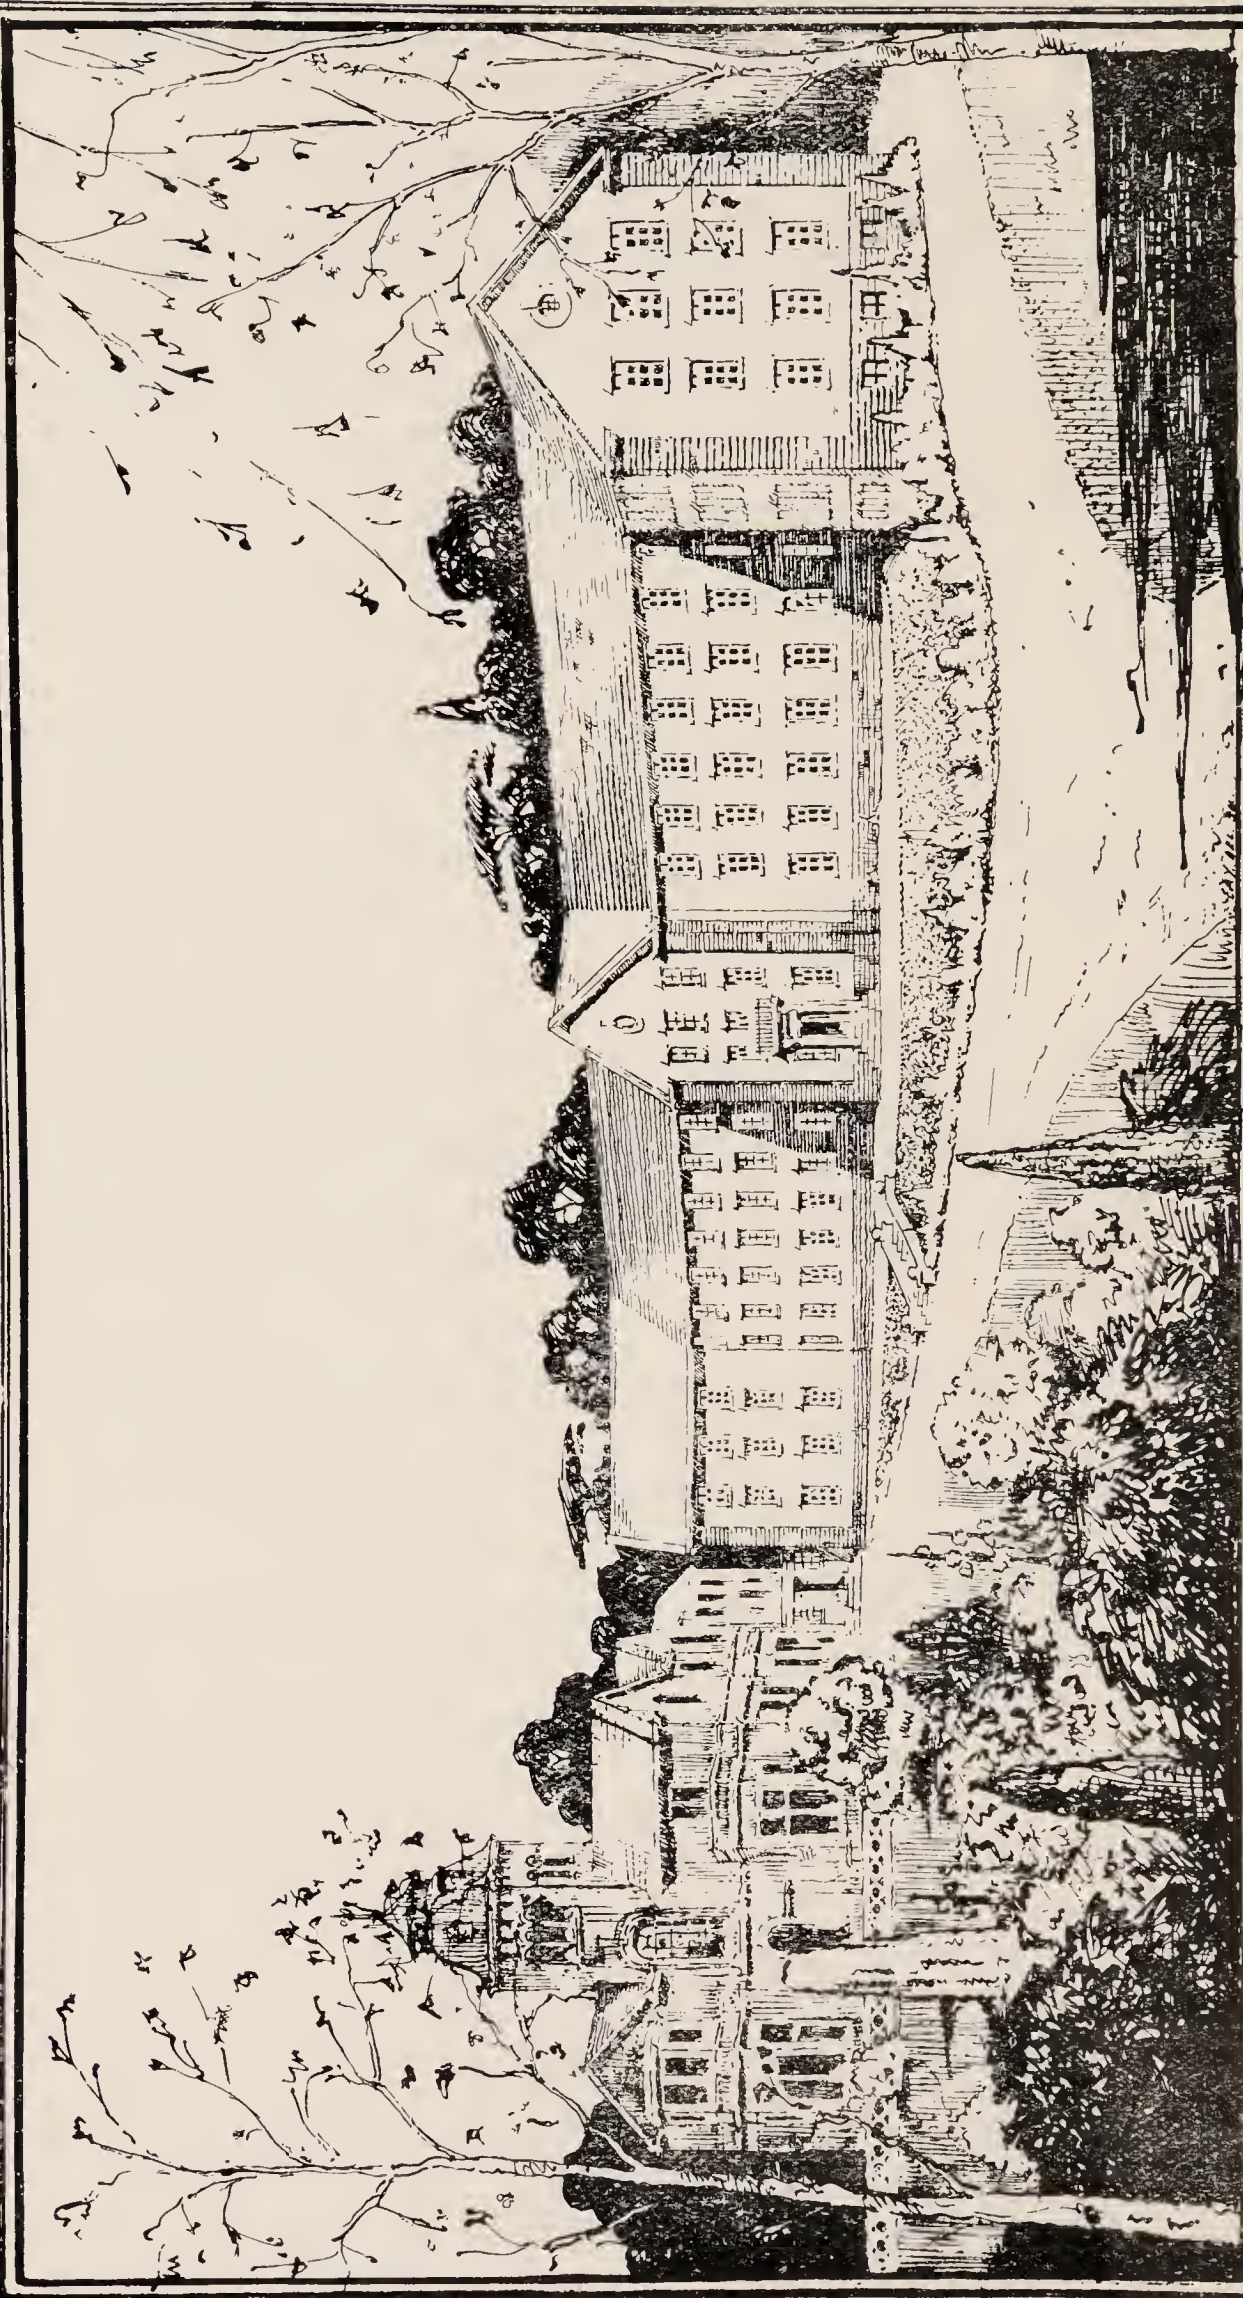

Alderman J. G. Graves was approached and on behalf of the J. G. Graves Charitable Trust he generously purchased and presented to the hospital the house and estate of six acres known as Tapton Court, Shore Lane, Fulwood Road, Sheffield. This house was adapted for temporary use for twenty-seven nurses and formally opened by Alderman J. G. Graves, J.P. on the 20th July, 1934.

Plans for extending the house were approved and work on two extensions, an east wing and a west wing, was commenced on the 18th December, 1934. The east wing was completed and occupied on the 20th March, 1936, the west wing will be completed in May. The cost of the extensions—east wing £15,000, west wing £5,000, a total of £20,000—will, it is hoped, be financed by the following scheme:

Each donor of £5,000 may name a floor in the east wing or the whole of the west wing and each donor of £100 may name a room. So far the following forty-four rooms have been named:—

In addition, substantial presents of furniture, etc., were given by:—

Alderman J. G. Graves, J.P.	..	Oil Painting.
Miss R. Graves	Fireplaces and Curtains.
Mr. and Mrs. Fred. M. Osborn	..	Grand Piano.
Mr. and Mrs. A. C. Davy	..	Carpets, etc.
Miss H. S. Fisher	Curtains and Rose Trees.
Mr. A. D. Barber	Furniture.

Mr. Hobson	Donation for furnishing.
Miss Wood	Donation for furnishing.
Mrs. Baldwin Young	Donation for furnishing.
Mrs. Bingham	Donation for furnishing.
Mrs. P. Watson	Donation for furnishing.
Mr. Ernest Day	Donation for furnishing.

The unemployed men from the Rodney Hill Allotment Society kindly gave their services in helping to recondition the garden and grounds.

The grounds of Tapton Court, while being extensive, are on a fairly steep slope and levelling for tennis courts, hockey ground, etc., is an expensive matter. The nurses have helped in the finances by holding a Sale of Work, which realised £325 and they are having dances and whist drives, the proceeds of which are devoted to the Building Fund. There is one grass tennis court and two new hard courts are almost completed. The piece of ground at present used for hockey is not quite large enough and has a difficult slope, but it is hoped in time to extend it and make it more nearly level. The facilities for exercise are much appreciated.

IT IS HOPED TO HAVE
AN OFFICIAL OPENING
DURING THE SUMMER
OR AUTUMN OF 1936.

THE SHEFFIELD ROYAL HOSPITAL.

THE One Hundred and Third ANNUAL REPORT OF THE BOARD OF MANAGEMENT

31ST DECEMBER, 1935.

The Board of Management have pleasure in presenting their One hundred and third Annual Report for the year ended 31st December, 1935.

The Late King George.—Many remember the late King George's visit to Sheffield in 1895 when as Duke of York in company with Her Majesty, Queen Mary, Their Royal Highnesses opened the "York" Wing. All think with gratitude of his noble life and example. We trust the new King may have a long and useful reign. He has the cause of the Hospitals at heart; for many years his portrait and a copy of his encouraging words have hung in the Board Room of the Royal Hospital.

There is a credit balance on the Income and Expenditure Account of £1,321 11s. 5d.

Expenditure.—Ordinary Expenditure was £47,960 17s. 1d. and Extraordinary £399 7s. 4d.—£48,360 4s. 5d. The corresponding figures for 1934 were Ordinary £44,936 19s. 3d.; Extraordinary £2,506 6s. 10d.—£47,443 6s. 1d.

Bank Overdraft.—Indebtedness to the Bank is less by £3,368 12s. 8d. The comparative figures are 31st December 1935 £27,312 13s. 2d. and 31st December 1934 £30,681 5s. 10d.

Members of the Board.—The death of Mr. B. Geo. Wood, O.B.E., J.P., on 12th December, 1935, is recorded with deep regret. Mr. Wood was elected to the Board of Management by the

Governors at the Annual Meeting in October 1907 and had been an active member ever since. His sound advice and ripe judgment, ungrudgingly given at all times is thankfully acknowledged. His passing is a real loss to the Board.

By the death in June of Mr. Thomas Richardson Ellin the Hospital lost a valued supporter of long standing and a Trustee from the year 1928.

Reluctantly and with regret the resignation of Mr. James Henry Doncaster has been received and accepted. Mr. Doncaster's health has caused his friends some anxiety and as a measure of precaution he is lightening his load of duties. He joined the Hospital Board in the year 1896 held the office of Treasurer from 1907 to 1923 and was therefore the "father of the Board". This long and continuous service is exceeded only by Mr. T. K. Wilson who joined the Board at the same time as Mr. Doncaster but became a Trustee in 1897. The value of Mr. Doncaster's services to the Hospital cannot be estimated nor can he be adequately thanked. Active interest, regular attendance, tactful and diplomatic advice and generous support were placed freely at the disposal of the institution which owes so much to his guidance and forethought. In conveying to him their thanks for and deep appreciation of all he has done for the welfare of the Royal Hospital the Board hope that a period of rest will restore Mr. Doncaster to good health and the enjoyment of his retirement. Owing to increasing public and municipal work Alderman C. W. Beardsley is no longer able to continue as a representative of the Contributors and his resignation has been accepted with regret. The thanks of the Board are conveyed to the Alderman for his advice and ready help since the year 1924.

At the invitation of the Board the Sheffield and District Association of Hospital Contributors nominated Mr. J. Lord as an additional representative.

Jubilee Honours.—The hearty congratulations of the Board and Staff are offered to Sir Arthur J. Hall on the honour of Knighthood conferred upon him by His Majesty King George V on the occasion of His Majesty's Silver Jubilee, May 1935. Sir Arthur was Honorary Physician to the Hospital from the 17th December, 1890 to the 27th July, 1931 and continues his devoted work as a Trustee, a member of the Board of Management and Physician in charge of the Encephalitis Lethargica Clinic.

The elevation of Sir Arthur Balfour, Bart. to the Peerage has given the Board much pleasure and on behalf of the Governors the Board have expressed their congratulations. Lord Riverdale joined the Board of Management in 1919 and proceeded in 1931 to the office of Vice-President.

Honorary Staff.—Dr. Percival J. Hay who was elected Honorary Ophthalmic Surgeon on the 3rd May, 1916 completed his active service on the 28th June, 1935. In addition to his skilled and devoted attention to the patients Dr. Hay took a deep interest in the planning of the Ophthalmic Section of the New Out-Patient Department which was opened in 1927. The many facilities for the smooth and efficient working there are the result of Dr. Hay's expert knowledge and indefatigable energy. The Board place on record their thanks to Dr. Hay for his valued services which he is continuing in an advisory capacity.

Mr. E. Gordon Mackie who was elected Honorary Assistant Ophthalmic Surgeon in September 1927 has now been elected Honorary Ophthalmic Surgeon in succession to Dr. Hay.

To succeed Professor H. W. Florey as Honorary Pathologist Professor H. N. Green has been appointed.

Honorary Dental Staff.—Professor G. L. Roberts, the newly appointed Professor of Dental Surgery, has been appointed an Honorary Dental Surgeon.

Sheffield Hospitals Council.—During 1935 the Sheffield Hospitals Council's receipts reached the magnificent total of £150,213. Administration and Publicity Expenses took under 4%. After providing for the Services of the Council including treatment at the Edgar Allen Institute, maintenance of certain contributors in the City General Hospital, Convalescent Treatment, use of Ambulances, and Grants to necessitous contributors for Travelling Expenses, there remained £115,148 for distribution to the four Voluntary Hospitals, the share of the Royal Hospital being £35,497 4s. 8d.

1935 marks the highwater mark of the financial efforts of the Council and the Contributors' Association, and the most sincere thanks are due to the great army of the Penny-in-the Pound contributors and to their Employers for their magnificent and ungrudging support.

"Safety First."—In Sheffield during the last five years the fatal accidents have each year numbered between 56 and 61—last year there were 57.

The non-fatal accidents have increased from 1,569 in 1931 to 2,025 in 1935.

As the Royal Hospital is the most popular receiving depot for Traffic Accidents the vigorous activities of the Minister of Transport are very welcome. These activities are splendidly supported by the Sheffield Safety First Committee under the Chairmanship of the present Lord Mayor and the leadership of the Chief Constable. The Governors will be interested to know that every

serious accident is recorded on a map in the Chief Constable's office and danger spots are promptly tackled.

Extensions.—Good progress has been made with the Miners' Welfare Block which primarily will accommodate an up-to-date X-Ray Department, Casualty Ward and modern Theatre. The reconstruction plans will also provide for a modern Ear, Nose and Throat Ward, new Ophthalmic Wards, Surgical Ward and floors for Paying Patients.

Zachary Merton Bequest.—In 1932 the Royal Hospital was invited to make application to the Zachary Merton Trustees for a bequest. The legal details have only just been finally settled and the approval of the Charity Commissioners given. It is hoped to see the Annexe at Fulwood matched by a modern Home alongside, and many more patients from the Hospital, whose cures are substantially complete, have their health established by a few days in one of Sheffield's most attractive suburbs.

Amalgamation.—Conversations have been proceeding to see if by amalgamation or other means the services of the Voluntary Hospitals in Sheffield can be improved. The problem is more obvious so far as the two General Hospitals are concerned.

An interesting and promising illustration of the type of co-operation which might result is shown by the provisional arrangements made in connection with the proposed Paying Beds to which reference has already been made. Patients occupying these beds will have the choice of any Consultant connected with the Voluntary Hospitals. This is a most promising introduction to the new proposals.

Tapton Court Nurses Home.—The building of East and West Wings to the house has proceeded throughout the year. Owing to the very wet autumn and winter the East Wing will not be ready for occupation until March 1936 and the West Wing in April or May. The financing of this project by naming a room after each donor of £100 has met with considerable success, the response already reaching a total of 44 rooms named. In these new buildings each nurse will have a separate bedroom with fitted wash basin and wardrobe. Shower Baths and Shampoo rooms are also provided and the corridor floors will be covered with rubber to reduce noise.

Annexe.—The number of patients transferred from the Hospital to the Annexe at Fulwood during the year was 1,178, twelve less than the previous year when 1,190 enjoyed the rest and quietness of this suburb for their recovery. The Harvest Festival Service on 9th September conducted by the Rev. L. C. Peto, Vicar of Fulwood, was chosen by a number of ex-patients.

as a suitable time to again show appreciation of their stay. Fruit, vegetables and flowers were freely given and there was a good attendance at the Service. The Annexe was closed on the 24th December for cleaning and renovation and was re-opened on the 28th January, 1936.

Samaritan Society.—In this the Golden Jubilee Year of the Samaritan Society the Committee record numerous instances where its useful work has been continued in a variety of ways. Diabetic patients have received the Special Diet which is so essential for them; the provision of Dentures has been assisted; to one patient a grant was made towards the cost of an artificial limb; and in another case the home was kept going until the return of the patient from Hospital. The death of the Chairman of the Society, Mrs. H. F. Hall, J.P., is deeply regretted. She was ever ready with financial help, assistance and advice. The efficacious work of the Samaritan Society carried out both before and after Hospital treatment in an unostentatious manner is of inestimable value to the Honorary Medical Staff who join the Board in again placing on record their thanks for another year of successful service to the needy and their hearty congratulations on reaching their fiftieth anniversary.

Linen and Clothing Guild.—The Committee of the Guild report that the work throughout the year has been well maintained. Mrs. Porter the Honorary Secretary resigned on account of ill-health and Mrs. Pye-Smith kindly consented to take her place. The total receipts for the year to 30th September 1935 were £334 5s. 4d. compared with £319 in the previous year. On the invitation of the Mistress Cutler (Lady Roberts) the eleventh Annual Meeting was held in the Cutlers Hall on 26th February, 1936. Some 1,250 garments were provided during the year and £210 was spent on linen. The Junior Linen League has had another successful year. Miss Esther Hall, the Honorary Secretary, resigned on her marriage and Miss Isa Gray has succeeded her. The Board and the Honorary Staff value very highly the work of all members and tender to them their cordial thanks.

Wireless Reception.—The new Apparatus so kindly presented by Alderman J. G. Graves, J.P., and his Co-Trustees was formally inaugurated by the Alderman himself at the Annual Meeting of the Governors held on 17th April, 1935. The whole of the proceedings of the Annual Meeting was relayed to the Wards to give the patients an opportunity of knowing more of the Hospital than is ordinarily possible from their beds and wards. The Board are deeply grateful to Alderman Graves for his generosity not only in giving the apparatus but in maintaining it in first class order without expense to the Hospital.

Christmas.—The Lord Mayor and Lady Mayoress (Alderman F. Thraves, J.P., and Miss Thraves) visited the patients in every Ward on Christmas morning. The Boxing Day entertainment this year was arranged by the Nursing Staff and an enjoyable evening was spent in the Out-patient Hall to which all who could safely be moved were conveyed. The Christmas Tree in the Board Room was followed by some amusing films shown in the Out-patient Hall and proved a great treat for the children. Christmas Boxes were once again provided by the Hospitals Council and distributed by the Rotary Club's Father Christmas, Rotarian W. Hardwick Tasker. On Christmas morning Carols were sung in the wards by a Quartette, Miss Doris Waller, Miss Helen Chapman, Mr. C. H. Jones, and Mr. Frank Ward—arranged by Miss M. Booth.

Nurses Training School.—Miss Eddy who was Sister in charge of the Annexe for some years returned in May as Home Sister. Sister Thynne left to take a school nurse post and Miss Haywood, Theatre Sister, left to be married. Sister Adkins left on appointment as Night Sister at the Kent and Canterbury Hospital and Sister Evill left for an appointment at the Royal National Orthopaedic Hospital, Stanmore. Sister Hindle left to take her midwifery training. Miss Beacock was appointed Theatre Sister and the Misses Sherburn, Crossley, Edgeley and Kennedy who trained here and have gained experience elsewhere returned as Ward Sisters—Staff Nurse Kilgore gold medallist in 1933 was promoted Sister of the Arthur Jackson Ward. Nurses Leonard and Cheetham gained the highest marks in the Hospital final examination held in May and October and were awarded the gold medal.

Seventeen nurses passed the final State examination and twenty-five passed the preliminary State examination on their first entry. Thirty-two nurses gained the certificate for Invalid Cookery—six with credit—at the College of Domestic Science.

The Sports Club chose a visit to the Northern Command Tattoo for their Outing and picnicked en route in Sherwood Forest.

The past and Present Nurses and many friends had a most successful Sale of Work in the Board Room on October 24th and 25th when the magnificent sum of £325 was taken and handed over to the Tapton Court Nurses Home Fund.

The death in July of Miss M. Spooner removed from our midst a most promising nurse.

Laundry.—The number of articles washed in 1935 was 457,725 at a cost, including depreciation, of £1,875 3s. 0½d., or at the rate of .983 pence per article.

Manufacture of Medical and Surgical Preparations.—Since the introduction of this progressive measure several years ago, expansion has occurred each year in this section of the Dispensary's

activities. In the past year, the list of Galenical and other preparations made in this department, has been further increased by the addition of some that have previously been obtained ready made.

In many cases, the lower cost is very marked, but this is not the only advantage to be had. It is possible to modify, or augment formulæ of Hospital preparations to meet special requirements; to ascertain the purity and standard of the constituents supplied and incorporate only those of the highest quality. To these may be added the educational value such measures offer to those concerned in their preparation. With the fixed formulæ of a ready made preparation, these advantages are lacking. The outstanding class of galenical to receive special attention recently, is Emulsions. These have been prepared until quite recently, with a hand operated machine. The disadvantages of this method have now been overcome by the provision of an electrically driven machine, incorporating a new principal. The results are satisfactory, and it is now possible to manufacture a palatable high content cod-liver-oil emulsion, fortified with halibut oil, at a price approximately half that of a ready made brand.

The machine could easily prepare all the emulsion required by the Sheffield Hospitals.

This Hospital no longer uses proprietary developing solution for X-Ray films. The Dispensary supplied the 444 packets needed last year, sufficient to prepare 888 gallons of developing solution, at a reduction in price, amounting to £52 11s. 8d.

The Dental Department was supplied with $10\frac{1}{2}$ gallons of local anæsthetic, for teeth extraction, at the low cost of £20. Under the old arrangement this local anæsthetic would have cost £120 to purchase.

The total number of tablets prescribed during 1935 was 650,000 of all sorts and sizes. Of this number 475,000 were made by machinery installed in the department at the end of 1934. It is estimated that the saving on this item alone was £223.

Another factor made possible by Dispensary manufacture is the benefit which accrues from "Spirit Rebate Claims", and which amounted to £244 13s. 8d. for the year, on spirit used in the preparation of Tinctures and other substances required for medical purposes.

Unlimited supplies of intravenous injections of Glucose, Gum and Normal Saline are available for any emergency. Improved supplies were made possible by the provision of a large size steam autoclave. Half gallon containers of such injections as well as numerous small bottles or ampoules of other solutions requiring sterilization, can be dealt with in a short time. Sterilization under pressure is a very efficient method of destroying contamination by foreign organisms. A plentiful supply of freshly

distilled water produced at a very small cost is another feature of this department's work. Half gallon bottles numbering 1,200 were issued for the year under survey. It is hoped to improve the storage accommodation for sera and vaccines by the provision of a suitable refrigerator. Biological products form an important part of a modern Hospital's equipment and it is necessary to keep comprehensive stocks of the many types in general use. These should be protected from climatic changes by storing in a refrigerator kept at a fixed temperature.

New Drugs and Forms of Treatment.—This Hospital makes every effort to become conversant with the latest phases of modern therapy, and keen interest is shown in improved forms of treatment, or technique.

This progressive policy has been fully maintained in the past year, and no expense is spared to provide the necessary preparations, which from prolonged research, have been proved to possess advantages over earlier forms of treatment.

Outstanding is the discovery of Digoxin—a stable definite constituent of a plant closely connected to the common fox-glove; and Ergometrine, the newly isolated alkaloid of Ergot. These discoveries represent a marked advance in the older preparations of these very useful drugs.

The first—Digoxin, has been used extensively in this Hospital with great success, for the treatment of cardiac insufficiency, and the second Ergometrine, supplies a long sought after stable preparation of Ergot, for obstetrical use in place of the unstable liquid extract.

Great interest has been shown, and good results obtained with Prostigmine. Much post-operative discomfort is now avoided, by preventing reduction in intestinal tone, and dramatic response is produced in Myasthenia Gravis, as well as other forms of paralysis.

Clinical treatment is gradually replacing the less convenient method necessitating a period in Hospital. Provision for the Out-patient treatment of Varicose veins, Diabetes, Hæmorrhoids, Anal fissures, certain kinds of Anæmia, etc. has been in operation for some time, whereby a weekly attendance at the Hospital, avoids loss of work, or interference with daily routine. To this list may now be added certain cases of gastric and duodenal ulcers, which are now responding favourably to a new form of treatment made possible by the recent discovery of a drug derived from Histidine. No operation or special diet is necessary.

The treatment of anæmia and associated diseases, by liver in one form or other, is now well established. To meet the requirements of this Hospital in 1935, 4,216 lbs. or nearly two tons of fresh liver, was needed from which to prepare suitable preparations for patients undergoing such treatment.

Medical recognition of the importance of glucose therapy has grown considerably. This Hospital now requires annually 17 cwts. of pure glucose powder to meet the requirements of patients recovering from operations, or in the treatment of other forms of illness.

IMPORTANT NOTICE TO ANNUAL SUBSCRIBERS.

You can help the Hospital by completing a deed of Covenant for the payment of your subscription for a period of not less than seven years in order that the Hospital may recover Income Tax on your subscription.

All that is necessary for you to do is to be good enough to complete a form similar to the one shown on the opposite page and send it to the Superintendent and Secretary, Sheffield Royal Hospital, Sheffield, 1, and to sign annually upon request a certificate of deduction of tax.

In case of the death of a subscriber within the seven years, the agreement becomes void and does not create any charge on his estate.

The following tables show the advantages which will accrue to the Hospital :

On an Annual Subscription of:			Income Tax would be recovered by the Hospital to the amount of:

THE SHEFFIELD ROYAL HOSPITAL.

I,

of.....

HEREBY COVENANT WITH THE SHEFFIELD ROYAL
HOSPITAL, WEST STREET, SHEFFIELD 1, that for a period

of seven years from the.....
193...., or during my life, whichever period shall be the shorter,
I will pay annually to the said Hospital such a sum as will, after
the deduction of Income Tax, leave in the hands of the Hospital

a net sum of, such sum to be paid from my
general fund of taxed income, so that I shall receive no personal
or private benefit in either of the said periods from the said sum or
any part thereof.

IN WITNESS whereof I have hereunto set my hand and seal

this..... day of, 193

Signed, Sealed and delivered by the said

ANNUAL SUBSCRIBERS.

YEAR ENDED DECEMBER 31ST, 1935.

Subscriptions or Donations will be received at any time by the Treasurer, ARTHUR D. BARBER, ESQ., at the Midland Bank Ltd., Hallamshire Branch, Church Street, Sheffield; or by the Superintendent and Secretary, Mr. W. H. BOOTH, at the Royal Hospital.

It is particularly requested that those Subscribers who reside at a distance will either pay their Subscriptions to the Treasurer, ARTHUR D. BARBER, ESQ., at the Midland Bank, Limited, Hallamshire Branch, Church Street, Sheffield, or remit the same by Cheque or Post Office Order, made payable to the SHEFFIELD ROYAL HOSPITAL, who will forward the Receipt and the In- and Out-Patients' Letters of Recommendation.

Subscriptions become due on the first day of January in each year, and are now in course of collection by the Superintendent and Secretary, Mr. W. H. Booth.

The attention of Annual Subscribers is directed to the Form of Covenant enclosed, the signing of which will enable their subscription to be increased by the amount of tax recovered.

Report of the Royal Hospital Samaritan Society, 1935.

This Society has just completed its Golden Jubilee Year, having been inaugurated in 1885. Since that time the Society has continued its useful work and much help has been given in a variety of ways to both in-patients and out-patients of the Royal Hospital.

This year there have been rather fewer cases helped, but many of them have been long and expensive ones. The diabetic patients needing special diets have again received generous assistance, also several patients requiring dentures have been helped and one patient was given a grant towards her artificial leg.

The Society has also been called upon this year to give help to patients who, owing to a sudden accident, find themselves without means to carry on until compensation, or other relief is forthcoming. Other patients needing extra nourishment before an operation and were quite unable to obtain it. Here the Society was able to step in and issue grocery tickets for milk and eggs, etc., or whatever else was ordered by the doctor. On one special occasion a home was kept going till the patient could return from Hospital.

The Committee much regret the death of Mrs. H. F. Hall, who was Chairman for so long, and always ready to help the special cases which needed help longer than the funds would permit, and in so many other ways. The Committee wish to thank all the many friends who have assisted them during the year, and hope they will continue their support in the future and if possible increase the interest in this very useful society which needs more subscriptions to carry on its very essential work.

SOME CASES HELPED BY THE SOCIETY.

E.D.—Had his leg amputated in hospital and needed extra nourishment when he went home, to enable him to get strong enough to travel to a Convalescent Home. The Society provided this patient with the extra nourishment recommended.

E.S.—This patient, a woman aged 60 years, was attending in the Casualty Room for treatment for a fractured leg. She had one son who was unemployed, and she could not obtain her Health Insurance money for some weeks. The Society helped her with groceries until this money came through.

E.B.—This patient, a widow living in one room, was in Hospital for some weeks and was unable to pay her rent during this time. The Society paid the rent and this kept her home together and also helped her to make a speedy recovery.

RULES

For the Management of the Samaritan Fund.

I. NAME:—

The Name shall be "THE SAMARITAN FUND," in connection with the Sheffield Royal Hospital.
